World Youth ARDF Championships

Dear sports friends,

We are looking forward to meeting all of you in one month in Turčianske Teplice at the first World Youth ARDF Championships!

Slovak Amateur Radio Association is pleased to invite young ARDF competitors as well as guests from all over the world to the 1st World Youth ARDF Championships to be held in Turčianské Teplice, Slovakia in the beginning of summer 2017. After organizing of the 5th World ARDF Championship 1990 in Strbske Pleso, 10th IARU Region 1 ARDF Championship 1995 in Chtelnica, 11th World ARDF Championship 2002 in Tatranske Matliare and 10th EYAC in Bojnice there is another opportunity to organize a big ARDF event in our beautiful country. Turčianske Teplice is a spa town with mountain surroundings of Velka Fatra. We will do our best to make your stay in Slovakia pleasant and successful.

Roman Kudlac, OM3EI

Prologue information

Prologue race will be organized as a part of the opening ceremony. It will be a foxoring relay on 3,5MHz band. Frequencies are the same as for the sprint event.

Each country can delegate one or more teams. Each team will consist of 3 competitors, at least one W14 or 16. Deadline for entries for the prologue race is June 30 at 15:30 by event check-in.

It is an unofficial event, in case that you do not have any W14,16 in your team, you can borrow one from another team :)

Expected time of the winning team is 15 minutes.

Each competitor has to find 4 foxoring controls in a free order, beacon and then pass the baton to the next team member on the baton pass. Last team member - finisher - has to cross the finish line.

First team to cross the finish line with all collected controls wins.

No sportident will be used - classical punching on the map.

The event will be organized in a park and on a spa promenade - do not cross the roads with traffic - there are no controls behind this roads!

There will be no prologue race in case of bad weather.

Clothing

For all competitions the clothing should cover legs completely.
A short sleeve shirt for upper body as minimum.

There is more water than usual in the forest because of a longer snow period. We recommend bringing at least one reserve running outfit and spikes.
