Jiří Mareček, OK2BWN

Current valid versions of the IARU Region 1 ARDF Rules are as follows:

Part A: 2015 (approved at the IARU Region 1 General Conference 2014, valid from January 1st, 2015)

Part B: 2017 (approved at the 38th IARU Region 1 ARDF WG Plenary Meeting 2016, valid from January 1st, 2017)

Part B - (changes against the last published version, i.e. V2016)

The point 17.2. was modified for the Youth ARDF Championships:

*Y17.5. The starting order shall be drawn at random. The draw shall be made in **five** starting groups.*

Explanation: the number of starting groups equals to the maximum allowed number of the competitors per country in one particular competition, which is 3 at "adult" Championships and 5 at Youth Championships.
